January – February 2018

BIT REDO – IMO 9439175 visited Melbourne (refer ATP Feb 2016).
The vessel is owned by Torkel and Anders Hermansson from Sweden. She was built in Rijeka in 2012
Operations and Management go through Tarbit Tankers in Dordrecht (NL). I visited her at the Shell Refinery in Rotterdam.

RESEARCH VESSELS (PART 1)

Worldwide there are quite a number of RESEARCH or PURPOSE-BUILT vessels undertaking all sorts of investigations which have a maritime character e.g. hydrographic and oceanographic, but also dealing with atmospheric, biological and geoscience research.
